

Australian School of Reflexology & Relaxation

Foot Reflexology Workshop

The feet are miraculous in the way that they reflect the physical, emotional and spiritual aspects of the human body.

Join me in a 2 day, hands-on workshop to learn some theoretical background, basic concepts and application of reflexology relaxation techniques.

This is a perfect way of being introduced to the modality or adding a valuable tool to your tool kit.

Upon completion, you will be able to provide a basic relaxing reflexology treatment on, friends, family, or those in your care.

The workshop is presented by Lyn Fava – Reflexologist and Principal ASRR
