This workshop is an introduction to reflexology. You will learn skills for use on family and friends, or for those in your care. It is also a wonderful opportunity to try reflexology prior to committing to a Professional Qualification with our RAoA Certificate of Clinical Reflexology course.

Should you decide to enrol in the certificate course, then \$300 will be deducted from your full CCR course fee.

By completing this form, you are agreeing to our Cancellation Policy:

Cancellations received in writing 2 weeks prior to course commencement will be refunded less a \$55 administration fee. Cancellations notified after this date will not be eligible for any refund unless in exceptional circumstances. If for any reason the workshop is cancelled by ASRR, any monies received will be refunded in full.
