

Metamorphic Technique Workshop

with Dominique Mallee Meeroff

Are you ready to get out of your own way and let Life transform you from within?

Would you like to support your friends and family by letting them transform themselves?

Join a network of people worldwide who exchange sessions for Free!

Discover a radically new approach to personal growth and evolution!

This is for mums, reflexologists, practitioners, and anyone wanting to transform and move forwards in a gentle way.

There is no need to discuss issues or problems.

The workshop is inspirational, a yes to life, full of aha moments, deep insights and a tool you can use on yourself, friends and family or to go on to become a practitioner.
